To Whom it May Concern:

Southern Kumfort Cab Company has been used by Communications International for More than 6 years. They are very reliable, courteous, and all the drivers are professional In their manner.

We use them whenever we need to have our technicians picked up from dealerships, etcf. If we have customers who need to be taken somewhere, while we work on their vehicles, we call Tony and he sends a car right away.

We have had a great working relationship for many years, and will continue to do so.
